2009 Peacham Firefighter Games EVENT DESCRIPTION AND RULES

GENERAL RULES –

- Each team is made up of maximum of five (5) firefighters
- Team membership can change for each event
- Multiple teams can be entered for each department
- Each department must supply the needed equipment mentioned below (all other equipment will be supplied)
- Unsafe acts will be stopped immediately
- Final decision is that of the judges
- There are no prizes — just the admiration of your fellow firefighters!

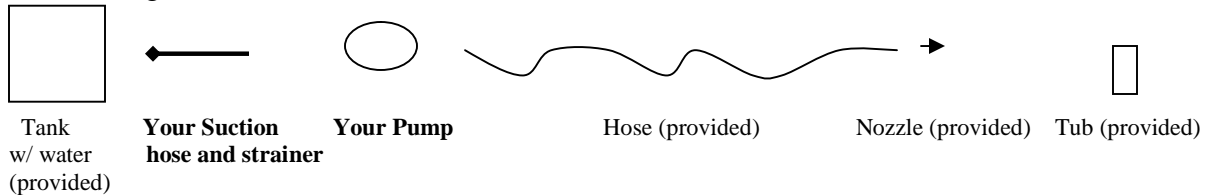

PORTABLE PUMP RACE

Object: Connect all equipment. Fill a large barrel with water from a portable tank in the shortest amount of time, using up to 5 firefighters.

Your equipment needed:

- 1 portable pump and any required adapters
- 1 length hard suction hose
- 1 strainer (your choice of style)
- spanner wrenches (optional)

Course Diagram:

Hint: You can tip the tub as needed, but you cannot move it any closer.

WATER POLO

Object: Pumping from our pumper, you move the ball across the opponent's goal line. Use up to 5 firefighters. We provide all equipment except helmets. Only shoot water at the ball. Shooting the other team will disqualify you.

Your equipment needed:

- Helmet with face shield for each firefighter.**
