Town Clerk & Treasurer

Annette Lorraine

The legal voters of The Town of Peacham met at the Peacham Congregational Church in Peacham, on Tuesday, March 1, 2011 at 10:00 AM.

The Pledge of Allegiance, led by Peter Craig, was recited at the beginning of the meeting.

There was a moment of silence to honor departed Town residents and those unable to be here today, in particular, Leona Roberts.

John Marshall, speaking on behalf of the Peacham Congregational Church, welcomed all visitors.

Special thanks were given to our luncheon coordinator, Cher Monteith, and her crew of volunteers.

Rob Ide made the following general announcements:

- He presented the ground rules for how the meeting was to be conducted.
- 2. Lunch would be served in the downstairs of the Peacham Congregational Church at 12:00 PM.
- Julia and Michael Fickes will be providing wireless microphones for people who chose to speak. The microphones were a donation from the Town to the church.
- The Northeast Kingdom Waste Management District (NEKWMD) poll will be open until 7:00 PM, moving to the Town Clerk's office after the Town Meeting is adjourned.
- 5. The Town Clerk has requested that successful candidates today need to remain for a few minutes to take their oaths of office.
- Article 1 To elect a Moderator to conduct and govern the meeting and to continue to serve as Moderator for a term of one year or until his or her successor is elected.

John Coffin nominated Rob Ide for Moderator. There being no other nominations, Ide was elected by a voice vote.

Article 2 To receive the report of Town Auditors.

There being no auditors present, Rob Ide instructed voters to refer to page 13 of the Town Report.

Article 3 To elect a Town Clerk for a term of one year.

Harley Colbeth nominated Bruce Lafferty for Town Clerk. There being no other nominations, Lafferty was elected by a voice vote.

Article 4 To elect a Town Treasurer and Tax Collector for a term of one year.

Harley Colbeth nominated Bruce Lafferty for Town Treasurer. There being no other nominations, Lafferty was elected by a voice vote.

Article 5 To elect a Selectboard member for a term of three years.

Sam Kempton nominated Annette Lorraine for Selectboard. There being no other nominations, Charlie Browne moved that nominations be closed and that the Clerk be instructed to cast one ballot for Annette Lorraine. Diana Senturia seconded. An affirmative voice vote closed nominations and the Town Clerk was instructed to cast one ballot. Lorraine elected.

	Article 6	To elect a Lister for a term of three years.	
		Deborah Colbeth nominated Jeff Lamphere. There being no other nominations, Diana Senturia moved that nominations be closed and that the Clerk be instructed to cast one ballot for Jeff Lamphere. Rick Scholes seconded. An affirmative voice vote closed nominations and the Town Clerk was instructed to cast one ballot. Lamphere elected.	
÷	Article 7	To elect an Auditor for a term of two years.	
		Selectboard Chairman, Tim McKay, indicated that Article 7 was an error and that it should be passed over. The Moderator asked for the unanimous consent of the meeting to pass over Article 7. There was no objection.	
	Article 8	To elect an Auditor for a term of three years.	
		There being no nominations the article was passed over. Jerry Senturia moved that the Selectboard appoint an auditor for a term of three years. Rick Scholes seconded. Motion passed with a voice vote.	
	Article 9	To elect a Grand Juror for the ensuing year.	
		Richard Browne nominated Charles Browne. There being no other nominations, Charles Browne was elected by a voice vote.	
	Article 10	To elect a Town Agent for the ensuing year.	
		Charles Browne nominated Robert Fuehrer. There being no other nominations, Fuehrer was elected by a voice vote.	
	Article 11	To elect a First Constable for the ensuing year.	
		Ann Mills nominated John Sheehan. There being no other nominations, Sheehan was elected by a voice vote.	
	Article 12	To elect a Second Constable for the ensuing year.	
		Jerry Senturia nominated Bill Thresher. There being no other nominations, Thresher was elected by a voice vote.	
	Article 13	To elect a Delinquent Tax Collector for the ensuing year.	
		Bob Fuehrer nominated John Sheehan. There being no other nominations, Sheehan was elected by a voice vote.	
	Article 14	Shall the voters appropriate \$40,000 to be raised in taxes to be added to the Capital Building Fund?	
		Diana Senturia moved the question. Rick Scholes seconded. Tim McKay spoke to the question. Discussion followed. The Moderator then called for a voice vote. Article 14 passed.	
	Article 15	Shall the voters appropriate \$413,795 in taxes to defray the Highway expenses of the Town?	

	Wynne Browne moved the question. Karen Fitzhugh McKay spoke to the question. There being no questi comments, the Moderator called for a voice vote. Art	ons or

- Article 21 To transact any other non-binding business that may legally come before the meeting.
  - Ron Miller announced the availability of applications for the Peacham Farm Support Fund grant. The deadline for applying is April 3<sup>rd</sup> and the purpose of the fund is to support farming in Peacham. Applications are available at the Town Clerk's Office and on the Town's website.
  - Richard Browne thanked retiring Selectboard member, Tim McKay, for his hard work and numerous contributions to the Town. McKay received a standing ovation and encouraged other residents to become involved in their community.
  - 3. McKay thanked Lynn Bonfield and Karen Lewis for their 10 acre gift to the Town. The land is located near Devil's Hill.
  - 4. McKay reported that a Recreation grant has been received for work to the ball field.
  - 5. Julie Hansen asked that a special thanks being given to Peter Craig for his overseas service and his leading of the Pledge of Allegiance.
  - 6. Bob Fuehrer thanked the Peacham Fire Department and all the other emergency and first responder personnel for their hard work.
  - Fire Chief, Jeff Berwick, reminded residents that volunteer positions were always available at the Fire Department.
  - 8. Rob Ide reminded voters about the changing location for the NEKWMD following the meeting.

Martha Ide moved that the meeting be adjourned. Jeff Berwick seconded.

Meeting adjourned at 11:15 AM.

The foregoing is approved and attested by:

### Town of Peacham Auditors' Report 2011

We have examined the finances presented to us by the Town Treasurer. We have verified stated cash balances, inspected certificates of deposit, loan documents, and investment account statements. Checks have been written according to statements and warrants. The town's current assets are correctly stated in the Summary of Town Accounts, the Inventory of Real Estate, the Inventory of Road Equipment, and the Peacham Volunteer Fire Department Accounts Report.

We extend our thanks to Town Treasurer Bruce Lafferty and Assistant Town Treasurer Stan Fickes for their work throughout the year and for their assistance in preparing the Annual Report. We also want to thank Betsy McKay and all other Peacham staff for doing such a fine job relative to the May and August storms.

Jan Eastman, Julie Kempton

Town of Peacham Auditors

#### Town Clerk's 2011 Annual Report

This year I have been particularly aware of the unique vantage point that the Town Clerk's position provides. It is one that I wish all residents were able to experience. I realize that the devastating damage caused by our May and August storms were a contributing factor. I was struck by the overwhelming selflessness and undeniable commitment of this community in restoring the Town to its previous self.

The Town Clerk's office was, of course, involved in the storm's recovery tasks. We became even more of an informational center than usual and were rewarded with a great deal of personal satisfaction in knowing that we were part of a much larger effort.

Our statutorial duties of record retention and maintenance continued. We were also able to pursue our goal of electronically indexing our records as well as scanning hundreds of documents. Stan Fickes, our Assistant Town Clerk, was instrumental in the accomplishment of these tasks.

The physical maintenance of the Town Hall has also been a priority this year. Numerous safety and energy efficiency projects have been ongoing. New widows have been ordered for the gym with their installation scheduled for the summer of 2012. Along with this busy maintenance schedule, the gym saw increased use with last year's Acoustic Music Festival, the now regularly scheduled Contra Dance programs, as well as the continued use by numerous individual residents and Town organizations. The Acoustic Music Festival plans to return again in 2012. Clearly, it is a facility that a town of this size is fortunate to have.

Finally, I would like to thank the Selectboard, Listers, and Justices of the Peace who have all provided continued support throughout the year.

Bruce Lafferty Town Clerk

#### Town Treasurer's 2011 Annual Report

The Peacham Town Auditors have verified the financial statements presented to them by the Town Treasurer. The Auditors, Town Treasurer, and Assistant Town Treasurer meet on a regular basis. These sessions allow us to remain current on the status and accuracy of the Town's cash balances, loan agreements, investment accounts, and accounting statements. Specific investments of the cemetery funds, certificates of deposit, real estate and road equipment inventory, fire department accounts, and the collection of property taxes have proven to be well managed.

With the May and August storms came required documentation and accounting reports mandated by the state and federal government (FEMA). In order for Peacham to be reimbursed for damages incurred, the Town Treasurer had to adhere to a specific financial management process. With the excellent guidance from the auditors, management skills of the Selectboard, and the diligence of our grant administrator, the Town Treasurer successfully completed the process. I would like to thank them all for their professional advice and willingness to operate effectively in a challenging financial time. As a team we were able to maintain the Town's secure financial position.

Thank you.

Bruce Lafferty Town Treasurer

#### Selectboard Report

This past year proved to be a challenging year for many towns' people, the Road Crew, the Fire Department, the Emergency Management Coordinator, the Town Clerk, the Assistant Town Clerk, the Selectboard, and several volunteers.

On May 26<sup>th</sup> we received approximately 6 inches of rain in a very short period of time so that many roads were completely washed away. Parts of town and some homes were inaccessible. Until 2:00 PM on May 27<sup>th</sup> the Fire Department and emergency staff worked to determine where they could safely go with equipment. On May 26<sup>th</sup> from 10:00 PM until May 27<sup>th</sup> at 2:00 PM the Fire Department and Road Crew were out in full force. People had to be evacuated and road safety cones and barriers were being placed at washouts. The Selectboard established a blog at <u>www.peachamblog.blogspot.com</u> to link photos of road damage and provide other emergency information and updates. People were informed of road closures and provided with phone numbers for emergency assistance.

During the night it was obvious the roads were going to require a lot of extra manpower and equipment. Coordination of emergency assistance went on through the night. By May 28<sup>th</sup> the town had 5 ten wheel dump trucks, 2 six wheel dump trucks, 2 excavators, 1 grader, 1 bucket loader, and 1 backhoe loader working feverishly to make roads passable. As of 7:00 PM on May 27<sup>th</sup> there was nobody left stranded. Emergency vehicles could get everywhere in town. This was a huge accomplishment.

Over the next two months roads had to be completely rebuilt. Thousands of tons of materials were purchased and people worked 6 or 7 days a week to put everything back together. Phone lines had to be moved, new culverts installed, ditches were stone lined, and road banks were seeded and mulched.

The cost for the May 26<sup>th</sup> storm was \$565,000.00

The cost will be shared by FEMA at 75%, State of Vermont at 12.5%, and the Town of Peacham at 12.5%. Federal aid highways are 0% town costs.

The way this process works is not easy. First, there was the meeting that town officials were required to attend to receive any assistance. At that time we filled out Request for Assistance forms. Second, a FEMA representative came to town to assess the damages. We needed pictures of all projects for proof of damages. This needed to be done before the rebuild process could be started. Every damage site was assigned a project number. Third, project reports were put together followed by another meeting with FEMA. Meanwhile, every load of material, every equipment hour, every man hour, every miscellaneous item, mulch, seed, etc. had to be accounted for by project invoices resulting in hours and hours of paperwork. The Selectboard hired a Grant Administrator to organize the entire damage reporting and FEMA/State reimbursement process.

The floods prompted the need for Peacham to belong to NFIP, National Flood Insurance Program, and to find a way to better keep track of materials bought and placed on roads during natural disasters. After many more hours of paperwork and meetings, Peacham now belongs to NFIP. We also have forms for contracted trucks and equipment documenting where material is delivered and how it is applied and used. The Selectboard's thought being, should any similar disaster occur in the future, we will be better prepared to handle it.

Well guess what! On August 26<sup>th</sup>, Tropical Storm Irene paid us a visit. We received unofficial rain amounts of 8+ inches in 2 days. Again the roads suffered substantial damage, with repair costs totaling \$45,000.00.

Currently, V-TRANS is conducting hydraulic studies to determine the locations for bigger box culverts in the problem areas. There is often grant money available to help with such projects. Due to the 2 disasters we put several projects on hold. Our hope is to get going on these in the spring; the Town Hall, the Ball field, the Cemetery Road, and the Roller Barn.

By working together we have emerged from a challenging time in very good shape.

### Peacham Listers' Report 2011

2011 saw continued personnel change in lister staff. Julie Kempton resigned her position and Jim Minichiello was appointed as a replacement.

The office focused on remaining current with state requirements, as well as vigilant of building permits and unfinished improvements. Continued property file maintenance and organization were also addressed.

We are continuing work with our tax mapper to implement long overdue tax map corrections as well as an interactive map.

Any properties that change ownership or have current building permits will be reinspected prior to April 1<sup>st</sup> so that any changes will be reflected in the 2012 values.

The Listers' Office is open Monday and Wednesday mornings from 9:00AM – Noon or by appointment.

Deb Colbeth Jeff Lamphere Jim Minichiello

#### Peacham Fire Department

#### Annual Report 2011

The Peacham Fire Department responded to a total of 77 emergency responses in 2011. The breakdown of responses includes: 21 in town fire calls and fire related emergencies, 45 in-town medical emergencies, and 8 fire related mutual aid calls and 3 medical emergencies mutual aid calls.

We want to welcome back Rodney Reis to the fire department after a short break. His firefighter skills and knowledge will again be used. Also, Rob Cochran has joined the fire department and as a member of the road crew this will improve daytime coverage.

We did improve our firefighting equipment this year with the purchase of two SCBA bottles, two pagers, nozzle and manifold.

The main event this year for the fire department was the storm on May 26<sup>th</sup> and 27<sup>th</sup>. The fire department was called out on the evening of May 26<sup>th</sup> to high water covering roads in town. We manned the station and coordinated with our members and the road crew to areas that needed attention. We notified residences to evacuate, helped pull a vehicle out of high water, posted road closed signs and sent a crew of 5 to Danville to assist the Danville Fire Department with gaining access to flooded homes with our cold water rescue suits.

The following day members brought in ATV's and notified residences of road wash outs, phone numbers to call if they needed assistance and helped one residence with a generator to power their home. This type of event is not always trained for but we felt we were prepared, addressed issues quickly and with the help of the road crew no one was injured. A total of 15 hours over the two days were spent dealing with issues and over one hundred hours were tallied by all the members. We did similar service during hurricane Irene, although the impact on Peacham was not as great.

If you are interested in assisting the fire department in any way, or if you are interested in becoming a new member or a department supporter, please do not hesitate to contact me. The department meets every Monday evening for a meeting or training session. We have a new website: <u>http://fire.peacham.net</u> there you can find out more about our department and even apply for membership.

#### Thank you for your support.

Jeffrey Berwick, Chief

#### Fire Warden Report For 2011

In 2011, 53 burn permits were issued and there was one non-permitted burn investigated resulting in a permit being issued. There was one wild land fire reported in Peacham.

In 2011, there were 28 wild land fires burning 38 acres reported to the State of Vermont Department of Forests, Parks & Recreation. Due in part to all the rain Vermont received in 2011. There was one lightning caused fire. The remaining fires were human caused. The fire in town was caused by lightning striking a large tree on the edge of a cornfield between Peacham Groton Road and Farrow Farm Road in S. Peacham. This fire went undetected for several days and kept burning during the early snowfall in late October. The fire department responded with the forestry truck to extinguish this fire.

A burn permit is required by state statute to burn natural wood and brush unless there is snow on the ground at the site of the burn. This may or may not require someone to inspect the site before issuing a permit. You MAY burn construction or demolition debris which includes an old barn, shed, house or similar structure. To do this you will need to request an air pollution permit from the Air Pollution Division of the Agency of Natural Resources. Please plan ahead as it will take time to request this permit. The phone number is 802-241-3840. This is wood only and you cannot burn, plywood, treated wood, painted wood, and other hazardous materials mixed with the debris. Obtaining a burn permit does not excuse you from obtaining a permit from the Air Pollution Division.

To request a burn permit please call me or Richard Greenwood. Our phone numbers are listed below and will be posted around town. Please do not call the Fire Chief or members of the Fire Department. They will tell you to contact one of us to request a burn permit. Please plan ahead. We may not always be available when you would like to burn. You may also request a burn permit on the fire department web site. Go to the website. Look on the left hand side for "How to obtain a burn permit" and follow the directions. This does not mean you will be granted a burn permit. You must wait for a reply.

If you have any questions, please call one of us.

To report any type of fire, call 911.

Neil Monteith, Fire Warden - 684-2165. Key Personnel, Richard Greenwood - 684-3170.

#### Medical Response Report for the Year 2011

In the year 2011, Peacham Volunteer Fire Department responded to 48 medical calls, this included 3 out of town, medical mutual aid calls. Our medically trained personnel also provided services at fires in Peacham and at mutual aid fire calls.

When you call 911 for a medical emergency, medically trained members of the Peacham Fire Department arrive to your location within a few minutes with our first response vehicle, Rescue 1. Rescue 1 carries all of our medical equipment, ice rescue and rope rescue equipment, traffic control equipment and other specialized equipment. It is our role to deal with any life threatening emergencies immediately and assist Danville Rescue as they arrive to transport the patient to the hospital. We DO NOT operate an ambulance, that task is provided by Danville Rescue. As with a fire call, we would much rather you call 911 as soon as you become aware of the emergency medical condition, than ponder whether the call is "serious".

This year we are fortunate to have six members trained as EMS medical first responders. Chris Bunnell is finishing his EMT-B training. All of our members are now registered by the National Registry of Emergency Medical Technicians. This registration requires a greater number of continuing education credits than the previous Vermont standard. This ensures that our medical responders will maintain their high standard of training. Two of our members are trained as CPR instructors.

Again, we thank you for your continuing generosity which allows us to be well-equipped and well-trained.

Please consider talking with your family and your physician about end-of-life issues. When you are unable to speak for yourself it is good to have a document available which clearly states your wishes as to emergency resuscitation efforts. Ask your physician about the document named "COLST" (Clinician Order for Life Sustaining Treatment). If you have such documents, they should be available for emergency medical personnel.

We can't help you if we can't find you. Please display your 911-house number. It should be visible from the road both day and night.

We need your help, please volunteer, you can help in many ways. If you are interested in taking a CPR course, contact Fire Chief Berwick or me. Also, if you are interested in obtaining Emergency Medical Training and/or Fire Training and becoming part of the Peacham Volunteer Fire Department, please contact Fire Chief Berwick. Please visit the new Peacham Fire Department website: <a href="http://fire.peacham.net">http://fire.peacham.net</a> for information about our department and even how to submit an application for membership.

Thank you for your support,

Jerry Senturia Secretary, Peacham Volunteer Fire Department

## Peacham Emergency Management Report 2011

Emergency management is concerned with preparing and planning for disastrous emergencies, responding to these emergencies, recovering from these emergencies, and providing mitigation to reduce the impact of future disastrous emergencies. The Peacham Rapid Response Team consists of the Emergency Management Coordinator, Fire Chief, Chair of the Selectboard, Town Clerk, Road Foreman and the Chair of the Listers. In the event of a disastrous emergency that group would be responsible for reacting to, recovering from and documenting the costs of a disastrous emergency.

This year we had two significant emergencies. The first and largest was over the Memorial day weekend. The storm started on the 26<sup>th</sup> of May. The Fire Department was deployed in the evening and overnight closing roads and perfoming rescues in Danville as well as Peacham. The Peacham Fire department and Peacham Emergency Management also went door to door in areas that were isolated to check on people and make sure everyone was safe. Peacham Emergency Management, the Fire Department, the Peacham Road Crew, the Selectboard and individual residents worked together to respond to, document and recover from this storm. We also got hit with Hurricane Irene but luckly the damage was not as sevire as it was on May 26 and 27.

As residents of Peacham, you should be prepared to be self sufficient for the first 72 hours of a disastrous emergency. In Peacham, emergencies are often accompanied by loss of electrical power and failure of heating systems. You might consider a gasoline generator or some other alternative electric power source for emergencies. If you do install such a generator, it should be installed by a licensed electrician to prevent danger to you and to power company workers. It should also be installed in a well ventilated place to avoid death by carbon monoxide inhalation. Consider an alternative heating source to supplement your regular heating system. You should have a 3 day supply of food, water and essential supplies. Please look at the Vermont Family Preparedness Workbook available in the Peacham Town Clerk's office or online at <a href="http://www.peacham.net">http://www.peacham.net</a> click "Town Clerk" and then select "Documents and Applications for Download".

Thank you for your preparedness.

Mark Fitzhugh Emergency Management Coordinator Town of Peacham

## **Cemetery Report**

I would like to start off by letting you know how many burials we had this year. There were 11 cremations, and 4 full burials. As you can see, cremations are becoming more and more popular.

As like everything else, plans for the summer of 2011 were delayed as a result of tropical storm Irene. My hope is to be able to accomplish our goal of putting in the access road to make egress easier during funerals.

The summer schedule will also include caring for the trees, painting the fence, and working on the building.

The sextons would like to join the 21<sup>st</sup> century in the way of technology. We would like to find a program that would allow the town clerk, Ron, and myself access to files readily and at our convenience. Cemetery business doesn't always lend itself to usual daily business hours.

Cheryl Stevenson Sexton

## **Town Treasurer's 2011 Cemetery Report**

The funds for the care, repair, maintenance, improvements, and beautification of the Peacham cemeteries are derived from four main sources; the two certificates of deposit held at Passumpsic Savings Bank, the dividends generated by the Restricted Investment fund at Wells Fargo Advisors, LLC, the annual funds allocated by the Peacham voters, and donations. All these accounts are all securely invested with steady growth and low risk investments.

Finally, there were two lots purchased this year:

1. Robert D. Ide and Martha B. Ide\$40	00.0
----------------------------------------	------

2. Steven F. Moore and Katchem B. Moore \$2000.00

Respectfully submitted, Bruce Lafferty, Town Treasurer Report of the Peacham Development Review Board

The Peacham Development Review Board (DRB) was established by resolution of the Peacham Selectboard on April 6, 2011. Members of the DRB convened on October 5, 2011 to adopt Rules of Procedure and Conflict of Interest Policy (officially adopted on January 4, 2012) and to elect officers. Copies of Rules of Procedure and Conflict of Interest Policy and meeting minutes are on file at the Town Clerk office. One application for an appeal from decision of the Administrative Officer was received on 11/2/2011 but was withdrawn by applicant on 11/3/2011. No other business came before the DRB for the remainder of 2011.

Submitted by Nick Comerci – Chair DRB

### Peacham Fire District No. 1 Prudential Committee Annual Report, Jan-Dec 2011

The Annual Meeting was held at Peacham Library, February 8, 2011, at 7:00 P.M. The proposed budget was approved, water rent was maintained at \$380 per year, and the village tax rate was voted at 8% of the 2008 Grand List. The membership voted to transfer its FY2010 budget surplus of \$4,522.52 to its reserves for water system maintenance and improvement. The membership then voted to transfer to its FY2011 budget from its reserves the \$5,000 that was approved—but not spent—in FY2010 towards repairs to the water distribution system, including replacement of a portion of the water main pipe in the village and replacement of shut off valves. In the elections, Sean Markey was elected Clerk/Secretary, Becky Jensen was elected Treasurer and Diana Senturia was elected Examiner. Larry Jensen was reelected for a 3-year term as a voting member of the Prudential Committee.

The Fire District is in sound financial condition.

During the year, Madge Rossinoff resigned from the Prudential Committee and Sean Markey was appointed by the Peacham Select Board to fill the office until the next annual meeting. When Gib Parrish later moved away from town, he, too, resigned from the Prudential Committee and will be replaced by vote at the annual meeting. Thanks to both Madge & Gib for their contributions. The annual village picnic was held in August at the Peacham Elementary School playground.

We wish to thank the Peacham Town Road Crew, who regularly cleared access to the reservoir and control shed during the winter months. In 2010, the Fire District and the Town of Peacham reached an agreement whereby the Town Road Crew will continue plowing the parking area at the reservoir and may, if available, provide excavation for emergency water system repairs in exchange for a reduction in the Town's water rent by half. We called upon them in emergency mode this summer when our efforts to close a curb stop during construction at the old town office resulted in a broken valve. The resulting excavation extended into the road surface. We are grateful for their rapid response, highly skilled expertise and their patience.

We also thank the voters of the Town of Peacham for appropriating \$1,500 to the Fire District, which has helped it stay in sound financial condition. And thank you to Peacham Library for providing a location for our annual and monthly meetings.

Finally, a reminder that prompt payment of your Water Rent and Village Tax bills helps us avoid borrowing funds to cover our loan payments, which are due Feb. 25 & Aug 25 of each year.

From the Water Operator's point of view, it was another busy year:

- We delivered water to the village with only a few interruptions and passed all water quality tests.
- We identified failed reservoir hatch seals as potential sources of bacterial contamination (completely eliminated by chlorination) and removed and resealed the hatches with triple-bead bonds.
- We identified an old, inappropriately located well overflow pipe as a second potential source of bacterial contamination and disinfected, extended and rebuilt it into regulatory compliance.
- The reservoir storage tanks were professionally cleaned and inspected per state requirements.
- We replaced approximately 40' of main water line, eliminated a non-complying fire hydrant, removed 2 abandoned curb stops, and replaced 1 failed and 3 working curb stops on Church Street.
- We produced 2,586,712 gallons of water, which averages over the year to 7,082 gallons per day or 4.92 gallons per minute for the whole village. Our usage was 24% lower than 2010. For each of our 53 water connections, that averages to 48,806 gallons per year or about 134 gallons per day.

Thank you for your continued support.

Respectfully submitted by the Prudential Committee,

Larry Jensen, Sean Markey.

# **Peacham Library 2011 Report**

To an historian libraries are food, shelter and even muse. Barbara Tuchman (1912 - 1989)

Peacham Library strives to be a center for the community's intellectual, educational, cultural, and social activities. To do this we provide an ever expanding array of services including:

- An online catalog (all 9800+ items) searchable any time so you know whether an item is in or out (there were 6000 checkouts, so it is good to check).
- Inter-library loan and the ability to request books from Vermont or anywhere in the United States (over 330 times in 2011).
- Downloadable audio books and eBooks via Listen Up! Vermont (averaging 8 audios and 3 eBooks a month).
- Access to 21 different databases online (including the New York Times!).
- Universal Class where you can choose from over 500 topics to learn something new.
- Over 150 programs (attended by over 1900 people), including Preschool Story Time, Readers' Delight, Acoustic Music Nights, Game Nights, Tech Nights and Summer Series.
- Movies on the big screen during Tuesday Theatre and Family Theatre, and over 500 to take home.
- Incredible art by local residents shown regularly in our gallery.
- Travelling frogs—take one home or around the world, bring back photos.
- Home delivery—we'll bring books to you (as we did 21 times last year)!
- Computers and wireless access 24/7 (nearly 1500 people used them over 1300 hours last year).
- Meeting space for your group (over 20 groups meet here regularly).
- A place to meet new people, chat with your neighbors, and enjoy a cup of coffee or tea every Friday (with over 8000 visitors to the library last year, you're bound to meet someone you know or want to know).
- Online information at <u>www.facebook.com/peachamlibrary</u>or <u>peachamlibrary.org</u>.

Peacham Library is able to be and do all these things through your generosity. Thank you for your donations and time, your appropriation votes and your use of the library. We welcome comments and suggestions to help improve our services. Stop by soon to let us know what you think.

Respectfully submitted,

Becky Jensen, Director

## PEACHAM CONSERVATION COMMISSION

It seems that 2011 was memorable for only two events—the Memorial Weekend storm and washouts and Hurricane Irene in late August. The May storm, being the worst of the two, damaged the trail from Penny Street to the Town Forest. We thank Ross Page for repairing the trail using material saved from the eroded gullies and also for bush hogging the meadow at the Town Forest map kiosk trail junctions. The coming year will see continued trail maintenance and possible opening up of the Town Trail from Slack Street to the Penny Street Trail and perhaps a new shortcut loop from the Ledges down to the Penny Street Trail.

A gravel viewing area at the Roller Barn Trailhead was created featuring one of the cedar benches made by Joe Miller. This is directly next to the map kiosk there.

Items for 2012 include discussion of ways to protect the Reynolds property development rights, non-development options for all property owners, sponsoring kid(s) to Vermont Conservation Camps, establishing a tree nursery and of course monitoring invasive plants and insects. Contact David Stauffer (Chair) 592-3076. davstauff@aol.com

Peacham Green Up Day

Green Up Day is always the first Saturday in May. In 2012 Green Up Day will be

## SATURDAY, MAY 5 from 9 a.m. to 12 noon

For those new to Vermont, Green Up Day is a statewide celebration of community through clean-up of roadsides, parks and other local sites. Everyone is welcome to participate; some people have unofficially "adopted" certain roadways as their own.

**To sign up**, you may call the Green Up coordinator listed below, or go to the foyer outside the Post Office beginning about two weeks before Green Up Day to post your name on the Peacham road map that you will find there. It always helps to let us know ahead of time what road(s) you are covering, but spontaneous last-minute participation is never discouraged—simply come to the elementary school parking lot any time after 8:30 a.m. on Green Up Day to get your route assignment.

An advance supply of free, heavy-duty **Green Up bags** will be available alongside the sign-up sheet outside the Post Office, at the Transfer Station or at the school on Green Up Day. Filled bags can be left in the town dump trucks parked at the school or disposed of without charge at the Transfer Station.

**Safety information**: Be aware that you may be near traffic; wear bright colors or borrow one of our reflective safety vests. For parents, be extremely vigilant with your children. Everyone should dress for the weather and wear sturdy shoes or boots. Bring gloves, or use the latex gloves we have available. There are some pretty yucky items out there.

Please join us even if you can only spend part of the morning. At 12 noon there will be a **free cookout lunch** at the elementary school.

After many years, Green Up coordinators Jo Anne Post and Dave Stauffer are retiring. A new Green Up Coordinator has stepped forward: Lauren Collins (592-3053). Please get in touch with Lauren if you are interested in being a co-coordinator!

And many thanks as always to last year's intrepid volunteers, to RickySue Chartier for preparing the picnic, to the Peacham Selectboard for their financial support, to the Road Crew for logistical help and to members of the Peacham Tree Board, who joined in the day's events with Arbor Day activities.

# You Need a Permit for...

**Building/altering, subdividing, or change in use of parcel**: No land development may begin until a zoning permit has been issued by the Zoning Administrator as provided for in §4443, Title 24, VSA and Town of Peacham Zoning Regulations, Article 1, §103. The fee for a building permit application is \$30.00 plus a \$10.00 recording fee.

**Appeal to Zoning Board of Adjustment**: All zoning permits referred to or appealed to the Peacham Zoning Board of Adjustment will cost \$25.00

**Road access**: A permit is required from the Selectboard for any access from a property onto state highways and town roads (VSA 19, §§1-43 Act 460). The fee is \$27.00.

**Fire**: A fire permit is needed for any open burning, except when the ground is snow-covered. Fire permits must be obtained from the Fire Warden. There is no fee.

# **Transfer Station Fees**

Bag of trash\$2Large Appliance\$10Furniture, mattress\$5Sofa\$10Tire\$3Pickup load\$35

# ELECTRONICS free RECYCLING vhoðwhatð

**Computers Monitors** Televisions **Printers** 

Computer Peripherals (e.g. mouse, keyboard, scanner) Other electronic devices may be accepted for a fee.

Vermont ... Households & Charities **School Districts** Small Businesses (10 or fewer employees)

Take your electronic devices to any Vermont e-cycles location for free recycling. Permanent recycling locations are available across the state. For a list of free locations visit: www.vtecycles.org

www.vtecycles.org 1-855-6ecycle

To learn more about data security and how to remove personal information before dropping off electronic devices, visit www.vtecycles.org or call the toll free hotline above.

# **Dog Licenses 2011**

172 dog licenses were issued.

Income: \$1,171.00 Expenses: \$620.00 - Fees to state \$90.92 - Dog tag cost

# 2012 Rates for Dog Licenses (before April 1<sup>st</sup>)

Neutered or spayed dog	\$4.00
State programs	$\frac{4.00}{0.00}$
	8.00
Unneutered or unspayed	\$8.00
State programs	4.00
	12.00

## WARNING NEK WASTE MANAGEMENT DISTRICT BUDGET VOTE MARCH 6, 2012

The legal voters of the Northeast Kingdom Waste Management District are hereby notified and warned to vote, by Australian Ballot, at the polling place and between the hours specified by their municipality on Tuesday, March 6, 2012 to act on the following article.

**ARTICLE 1:** Shall the voters authorize the Northeast Kingdom Waste Management District to appropriate and expend a budget of \$ 642,750.00?

Signed: Endy Bai

#### Executive Committee Report

The NEKWMD finished 2011 in remarkably strong financial condition. Recycling markets were strong throughout the year. The most successful year in terms of recycling revenues allowed us to end the year with a surplus of \$107,759.14. Spending for the year was \$43,900 more than budgeted, while revenues exceeded projections by over \$151,600.

The sale of recyclables generated \$240,016 in revenues for 2010. That figure represents almost 38% of the 2011 budget. While strong recycling markets were responsible for much of the excess revenue, surcharge revenue exceeded projections by \$27,000.

The NEKWMD is entering 2012 with a proposed budget of \$642,750 an increase of under 2%. However, due to the increased revenues through the sale of recyclables the surcharge on non-recycled waste will remain the same in 2012 (\$22.55). Our surcharge on trash remains just below the average throughout the State of Vermont.

Other District fees for recycling bins, home composters, and tires will remain at their 2011 rates. Fees for electronic devices were eliminated July 1, 2011 due to legislation passed by the State of Vermont in 2010.

The District welcomed the town of Marshfield in 2011. We continue to serve the largest geographical area and largest number of towns in the State.

The NEKWMD was staffed by eight full-time and four part-time employees in 2011. Each of the member Towns is entitled to representation by at least one Supervisor. The Board of Supervisors is the principle authority over the NEKWMD and the primary means of contact with the member towns. The Board of Supervisors meets monthly and sets the direction of NEKWMD policy. The member Towns are also represented through their ability to vote on the NEKWMD budget their Town Meeting in March.

The NEKWMD will continue to promote unit-based pricing for the disposal of trash. Since fees for NEKWMD membership are based primarily on the amount of waste produced, members have a clear opportunity to control their waste management costs. Costs can decrease as waste generation rates decrease and recycling rates increase.

In 2012 the NEKWMD will be looking to strengthen outreach to businesses and seasonal residents while also promoting greater participation in recycling programs throughout the Northeast Kingdom.

The 41,700 residents of 45 Towns throughout the Northeast Kingdom can be assured that the NEKWMD will continue to address their waste management concerns in a timely and environmentally sound fashion.

### **NEKWMD Executive Committee**

### DEAN SHATNEY, SHERIFF CALEDONIA COUNTY 1126 MAIN STREET SUITE 2 ST. JOHNSBURY, VT 05819 802-748-6666 FAX 802-748-1684 E-MAIL: dshatney@dps.state.vt.us www.caledoniasheriff.com

### ANNUAL REPORT

For 2011

We completed the audit for our office this past fall and it resulted in no findings or problems of any kind. Paula Watts our Office Manager and Book Keeper does a wonderful job of making sure all our t's are crossed and our i's dotted. The state of the Caledonia County Sheriff's Department is very good. We have kept our rates for service the same for the past few years as we know the times are tough and we want people to feel that they can still afford our services. We continue to add vehicles to our fleet, replacing cars that have served us well. With these new vehicles we now have nine marked cars, a marked 4-wheel drive van for prisoner transports, two unmarked cars with one being used for civil process service. We have a large box van that we use as an office at the fair and other security details. We have an ATV and two snowmobiles that we use for our snowmobile patrols. We continue to do town patrols and we feel that the towns that we patrol are a safer place to live & drive in because of our presence. The Sheriff's Department has twelve Law Enforcement Officers to start the new year. One person is in the process of training to become a fully certified Police Officer and will bring our numbers to thirteen. We are all helping him in his efforts. We have the best civil process server, in the state, and he has very few papers he cannot serve...generally because they have moved. Our Office Administrator and Administrative Assistant, and two part time office workers stay busy because our office has become very busy over the past few years.

Michael Bergeron, the Sheriff, resigned at the end of 2011. He will be missed and was a large reason the department ran so well. As the new Sheriff in town, I see no changes that need to be made at this time. If anyone has questions or concerns, please call me at the office. My door is always open. I look forward to serving this county as the Sheriff. I grew up here, raising a family here, and will do everything in my power to keep it a safe place. We have established a wonderful working relationship with Northeast Vermont Regional Hospital and are helping them make certain that their patients and staff feel safe while in the hospital. We will again do snowmobile patrols throughout the county, if we get snow, doing our best to keep the trails as safe as possible, and we will again answer snowmobile related complaints.

We were doing wide load escorts for wind generating turbines in the spring and summer, they will continue in 2012 if the need arises. In that we contract for our services to cover most of our expenses, these kinds of details are a big help. Please check out our website listed at the top of this page. Thank You.

> Sincerely, Dean Shatney Sheriff
